Project Proposal

Artisan Ecommerce Platform

Introduction

With over 12 years of experience in software development, DRC Systems India Limited has established itself as a reliable partner for businesses seeking innovative solutions. Our team of experts has a proven track record of delivering high-quality software products that meet the unique needs of our clients.

Problem Statement

Artisans lack a customizable ecommerce platform to showcase and sell their handcrafted products

Proposed Solution

We propose a comprehensive ecommerce platform that provides artisans with customizable online stores, product management, order processing, and customer review features, ensuring a seamless online shopping experience.

- **Phase 1:** Business Analysis & Requirement Gathering
- **Phase 2:** UI/UX Design and Backend Development
- **Phase 3:** Frontend Development and QA Testing
- **Phase 4:** DevOps Deployment and Project Management

Team Involved

- Rahul Patel - Project Manager
- Priya Shah - UI/UX Designer
- Rajesh Kumar - Backend Developer
- Nikhil Jain - Frontend Developer
- Sonia Gupta - QA Engineer
